

PGY1 PHARMACY RESIDENCY PROGRAM

THE CHRIST HOSPITAL HEALTH NETWORK Cincinnati, Ohio

ABOUT THE CHRIST HOSPITAL HEALTH NETWORK

For more than 130 years, The Christ Hospital has been dedicated to providing the best, most compassionate care for our community. By continually reimagining what healthcare can be, we have become more than just a hospital. Today, we are an extensive network of 6,500 employees, 1,200 physicians and 600 volunteers, serving patients in more than 100 locations throughout Greater Cincinnati.

The Christ Hospital is a 555-bed community, teaching hospital offering numerous specialty services at our main campus located in historic Mt. Auburn, just north of Downtown Cincinnati. Together we are healing, comforting, and caring for patients and their family members. We are driving innovative research, giving patients new hope. With innovation, creativity, and technical expertise, we are making sure that The Christ Hospital remains at the forefront of medical advances across the Tristate, the nation, and the world for years to come.

Our Vision

Be a national leader in clinical excellence, patient experience and affordable care.

Our Mission

Improve the health of our community and create patient value by providing exceptional outcomes and the finest experiences, all in an affordable way.

Thank you for your interest in our program!

You are embarking on an exciting journey as you search for a residency that fits your professional goals and learning style. At The Christ Hospital Health Network, we take pride in offering a residency experience that is both individualized and supportive, designed to help you reach your full potential.

Our preceptors are passionate clinicians and dedicated mentors who are deeply committed to residency training. During your year with us, you will be challenged to strengthen your clinical knowledge, gain confidence, and cultivate essential skills in leadership, communication, research and time management.

We would love the opportunity to help you grow into a confident and well-rounded practitioner. If you have any questions, please contact us!

Best of luck in your residency search!
