

## The Christ College of Nursing & Health Sciences Raises More Than \$55,000 at Night of Impact Event

*Dr. Bill and Ellen Camm Serve as Presenting Sponsors for a Milestone Evening Celebrating the Future of Nursing Education in Cincinnati*

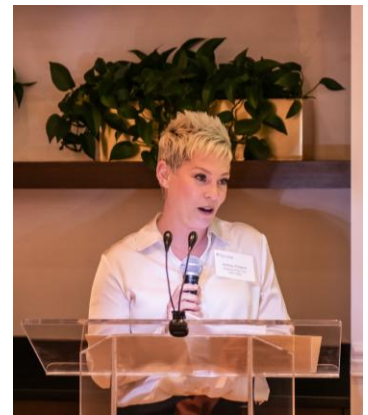

**CINCINNATI, Ohio** — The Christ College of Nursing & Health Sciences recently brought together hospital leadership, faculty, alumni, students, and donors for Night of Impact, an evening celebrating the College's role in preparing Cincinnati's next generation of nursing professionals. A beloved annual tradition, this year's Night of Impact debuted in a bold new format, creating new opportunities for guests to engage more deeply with the College's mission and hear firsthand how philanthropy is shaping student success.

By the end of the evening, guests had collectively raised more than \$55,000 for student scholarships, helping more aspiring nurses pursue their education and strengthening the future of care in our region.

The evening was made possible in part by the generous presenting sponsorship of Dr. Bill and Ellen Camm, longtime champions of the College whose commitment to nursing education in Cincinnati continues to inspire those around them.

A \$3,000 matching gift from Connie McFadden-Chase, Vice President of Academic Affairs, energized attendees and helped build momentum throughout the evening.

"This evening was about more than fundraising," said Amy Wutke, Ed.D., President of The Christ College of Nursing & Health Sciences. "It was a reminder of what is possible when a community comes together around a shared belief in the power of philanthropy to expand educational opportunities and change lives."

Night of Impact signals a new chapter in the College's philanthropic journey, one guided by a deepened focus on donor relationships, community engagement, and the enduring belief that helping more students pursue nursing careers is an investment in the health of our entire region.
